# **BARN HUNT CLASS!**

Watch your dogs put their instincts to work in this new and growing sport based on their role in ridding farms of vermin. Dogs navigate a hay bale maze searching for live rats safely protected inside aerated PVC tubes. The dogs love it!!

**Saturday, January 13, 2018 - 9:00 a.m.**  
**(Rain date February 10)**

**Total of three runs - \$20 per dog. Open to all breeds.**

For novice teams, the dog is introduced to the tube, the concept of going through a tunnel, climbing up on the bale, ignoring decoy tubes and hunting for multiple rats. For more experienced teams, the hides are set up at or above the level they are competing. Tips will be provided on how to better navigate the course, shorten overall ring time, build drive, and master the ever elusive tube. Whether you are looking for something fun to do with your dog or to hone your skills for that next title ribbon, this class is for you!

Bring high value treats, a flat collar and leash, water, and a crate for rest in between runs.
